7 AT SEATTLE

8 JIMMIE T. DEAN,

9 Plaintiff,

10 v.

11 KING COUNTY METROPOLITAN  
(METRO) TRANSIT SYSTEM, *et al.*,

12 Defendants.

Civil Case No. C16-1821RSL

SECOND ORDER OF DISMISSAL

13  
14 On June 30, 2017, the Court dismissed the claims against the King County defendants and  
15 granted plaintiff leave to amend the complaint. Dkt. # 21. At plaintiff's request, he was granted  
16 an extension of time in which to allege facts giving rise to a plausible inference that King  
17 County could be liable as his employer under state or federal law. Dkt. # 25. Plaintiff did not  
18 amend his complaint within the time allowed. An order of dismissal was entered 1.5 hours  
19 before the Clerk docketed plaintiff's second letter requesting an extension of time in which to  
20 amend his complaint. In the interests of justice, the order of dismissal was vacated, and the  
21 deadline was extended until September 8, 2017.

22 Plaintiff has again failed to file an amended complaint by the deadline established by the  
23 Court, and the Court has waited an additional week to give plaintiff every opportunity to  
24 prosecute this litigation. The Clerk of Court is again directed to enter judgment in this matter in  
25 favor of defendants and against plaintiff. No further extensions of time will be granted.
